Businesses play an important role in the fabric of our community. Canton Leisure Services is proud to present opportunities for area businesses interested in partnering with us to offer numerous community events.

Sponsorship and Advertising opportunities

Sponsoring community events, an excellent way to:

- Introduce your company to the community
- Further establish your company in the community
- Raise brand awareness, increase customer loyalty
- Reach a specific customer base at an affordable cost
- Increase your customer base
- Display community pride and support
- Gain exposure by supporting the residents of your community

Ask about our annual sponsorship and advertising packages for these events and more!
